

TRIPLE 300 AVERAGE SPEED CHALLENGE 2026

Accepting birds February 7th through May 3rd 2026

Accepting birds and replacements February 7th through May 3rd 2026, all birds must have 2026 seamless bands recognized by international organizations AU, CU, IF, FMC etc. and we advise that all breeders vaccinate their birds at or around 21 days old before sending. please use a new box when shipping. We will return your birds in brand new boxes at the conclusion of the race series

All birds will be vaccinated with PMV/Rota upon arrival, but please do it yourself at least 2 weeks before sending. Shortly after arrival all birds will also be treated for internal/external parasites and canker. All birds will have their 9th and 10th flights pulled.

Birds will be quarantined prior to entry.

Sick birds will not be placed in the loft.

All birds are chipped and entered into Wincompanion upon arrival. TauRis Derby clocking system to be used.

If Fees are not paid by deadlines the birds become property of Triple 300 Average Speed Challenge and will be subject to sale to other breeders.
